

## Programme structure

Psychotherapy Year One takes place prior to registration on the MA and students register with Middlesex at the beginning of Module 1. Credits for Modules 1-3 are spread over one academic year for each module. Module 4 is taken over 2 academic years. Credits are awarded as follows:

**Module 1 - 30 credits “The Primacy of the Client/Therapist Relationship”**

**Module 2 - 30 credits “Development of an Authentic Therapeutic Approach”**

**Module 3 - 30 credits “Integration Within the Wider Context”**

**Module 4 - 90 credits “Articulation of Theory and Integration in Therapeutic Practice”**
